Dear Roseanne,

I wanted to drop you a note to say how pleased we've been with the level of service you've afforded Silgan. Since becoming a customer in 2008, we have found time and again, that U.S. Coffee is quick to respond to our needs, be it a request for a new product, quick deliveries or problem solving. In addition to your high level of customer service, we have found your pricing policies to be very competitive which is so important in today's economic climate.

I thought you would appreciate receiving some positive feedback, and I look forward to a strong continued relationship.

Regards,
