Attention: Bob Stimell, General Manager, Brooklyn/Staten Island

Dear Bob:

I just wanted to let you know that it has been a pleasure working with you these many years.

We can always count on U.S. Coffee to respond to any matter promptly and courteously.

I also like that U.S. Coffee is on the cutting edge, i.e. your Green program. I would definitely recommend U.S. Coffee to any company.

Very truly yours,
